### **PHARMACEUTICAL LICENCE TERMS AND CONDITIONS**

Noncompliance with any of the conditions stated below will result in suspension or revocation of Pharmaceutical Licence.

The holder of the Pharmaceutical Licence shall: -

1. Comply with the minimum current good manufacturing practice (cGMP) or Good Distribution Practices (GDP) as may be applicable and to cause to obtain Marketing Authorization in Zambia (where applicable) of all such products as are manufactured and conform to such other standards as specified by the Authority from time to time;
2. Comply with relevant regulations and guidelines specific to the Pharmaceutical Licence;
3. The licence shall be conspicuously displayed at the premises where the activity is conducted;
4. Maintain such staff, premises, equipment and facilities for manufacture, or distribution of the medicinal products as applicable at the time of grant of the Pharmaceutical Licence;
5. Where the manufacturer wishes to manufacture additional dosage forms not included in the attached list, submit an application to the Authority for their necessary inclusion and this licence will be deemed to extend to the dosage form so included;
6. Keep readily available for inspection by an inspector of the Zambia Medicines Regulatory Authority durable records of documentation as specified in the guidelines;
7. Notify the Authority of any changes that require an amendment to the licence; and
8. A licence that is revoked must be surrendered to the Authority immediately.
